PARENTS' PHONE CALLS

This is a gentle reminder to all parents to sign up for the Parents' Phone Calls which replace our normal Parents' Evening ([click here to see the letter about Parent Phone Calls](#)). Unfortunately, we do not have the facilities to hold conference style phone calls and therefore will be phoning the number 1 contact or if you have provided a different contact then we will phone that number. We are encouraging parents to make some notes and then can pass on the main messages from the phone calls to other in the family. Thank you for your continued support and patience with this.

What will happen if my class bubble closes due to a confirmed case in my child's class?

This is a really good question and one that we need every parent aware of.

We have 'stepped-up' our remote learning should your bubble close. We have also identified **5 scenarios** at SVPS where your child may be off school due to COVID related issues. [Please click here to read our new policy around COVID Home Learning](#).

Parents, you will need to have activated their Class Charts Parent APP. You were all issued your own unique codes for each child, **if you haven't done so already PLEASE activate it**. If you do have any problems please email admin@swindonvillage.gloucs.sch.uk with what in particular you are struggling with.

Harvest Collection

Each Class will hold their own bubble assembly about the meaning of Harvest and collect the contributions for Cheltenham Food Bank.

Please can you send your child in with some of the following in readiness for our Harvest Festival Assembly next Wednesday. Thank you 😊😊😊😊😊😊

There is no need to wait until the day as each classroom will be able to store your donations.

😊 Thanks in advance for your kind generosity 😊
