

# Keeping Up with the Kids Maths

A free\* online course for parents

Do you find your children's maths work challenging?

Lydia can take the mystery out of maths. As a primary teacher she can explain the terms used in school at the moment

This course will focus on maths skills taught in the Juniors

**Find out how to:**

- ✓ Give your child a boost in their maths skills
- ✓ Get tips to help your children learn their tables
- ✓ Find out about fractions

**Tuesdays from 11:00 to 12:00**

**Starting on 12 January**

You can access this course through your smartphone, laptop or computer.

We can help you!
