

Dear Parents/Carers,

As I'm sure you're aware, our main topic focus for this term is history. The children have had a fascinating time so far learning about people and significant events from the past.

As part of our celebration of learning we will be holding a **History Day** on **Wednesday 4th November**. We are asking that every child in Year 6 to dresses in clothing that reflects the time period that they have studied. Here is a list of the time periods studied:

Year 1	Great Fire of London
Year 2	The Titanic
Year 3	Victorians
Year 4	Romans
Year 5	Mayans
Year 6	World War Two

During the day children will enjoy sharing their learning with children from their buddy class using a video link.

Here are some simple ideas for how to dress your child in suitable clothing for the day. We are **not** asking for parents to buy expensive costumes for the day. We simply want to create a memorable experience in your child's education.

Kind regards

Team Year 6 😊
