Dear Parents,

Following the announcement this evening from Mr. Boris Johnson my Chair of Governors and I feel we have been put in such a difficult situation at such a late hour that we have taken the decision to close fully for ALL pupils tomorrow. This will allow us time to gather the relevant Critical Worker information from parents.

We will send links before 9am tomorrow. These links will direct parents to the Government approved Oak National Academy Website for ALL pupils to access learning for tomorrow.

An online survey for collating the relevant Critical Worker information will be sent in the morning. We will then be able to make the right provision for our Critical Workers and Vulnerable children from Wednesday onwards.

Please keep checking your emails, checking our Facebook feed and checking our school website.

Thank you for your continued support and anticipated understanding.

Yours sincerely
