## Keeping us even safer

### What's New?

1. From **Monday** we are strongly encouraging ALL parents to wear **face masks** for the **Drop-Off and Pick-Up times (we all have them so this shouldn't be an issue)**.

Our playground spaces are not able to sustain 200+ parents and the social distancing rules of 2m. Where 2m can't be adhered to, then 1m plus (plus a wearing of a face mask) is advised.

2. Please do not congregate directly outside the school gates. There is a lovely park opposite to catch up with friends (socially distancing of course and remember the rule of 6 please).

Everyone's safety and well-being is our number one priority and we feel that this tweak to our arrangements would allow any parents anxiety and stress-levels to be minimised.

Thank you for your anticipated co-operation with this.

### Reminders

**X** = This is a reminder that the **red Xs** are there for families to stand and wait on. Please keep your distance from other families and friends.

Please can you 'drop and go' in the mornings and as soon as you have your child(ren) at the end of the day you head straight for the exit.

## What should we do if someone in our home has Coronavirus symptoms?

Please follow the Public Health England guidance - click [HERE](#) to read and report absences to our admin office.

## Class Charts

If you haven't done so already, please download the Class Charts APP on your device and follow the instructions in the brown envelope.

This new APP will allow you to:

- See your child(rens) behaviour; hopefully you will see the 'Positives' grow. You will also see that it will notify you of any negatives as well (let's hope that these are not needed)
- In the coming weeks you will also see what homework your child has (reading...etc).

The children are very excited by this and they know that the *positives* = prizes.

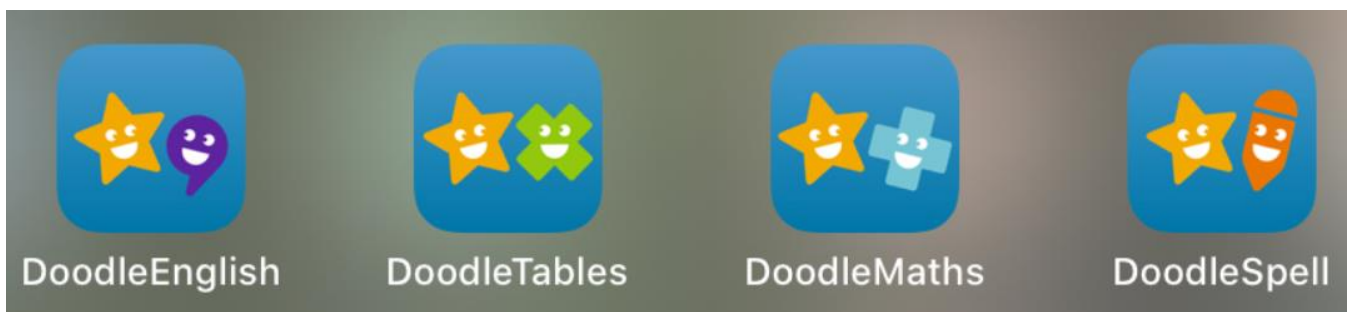

A new Positive Behaviour Policy can be found by clicking on this [link](#).

## Doodle is Back

## Doodle is Back

## Doodle is Back

Download the APPS – PlayStore / App Store

This week we are having a huge push on getting all the children in Year 1 – Year 6 back doing their doodle Maths. Reception children start this later this year.

**Your child's username and password will be in their Reading Record Book. The reading Record Books will be with your child(ren) by Monday pick-up at the latest.**

This is perfect timing as there is a 14-day Doodle Challenge. Let's all get our children Doodling again

**As a minimum we are looking for 3 times a week e.g. Monday, Wednesday, Friday.**

Class Chart Positives for Homework will be awarded and maybe Above & Beyond Points for doing more than the 3 times a week.
