5th January 2021

Dear Parents,

Firstly, thank you for filling in our online form so quickly this morning. We have more than 140 Critical Workers this time, which is nearly double our numbers before. Below outlines the initial information you need for tomorrow.

Drop off and Pick-up Times

- The school gates will be opened at 8:40am and closed again at 8:55am. Pick up will be between 3:00pm – 3:15pm. Please arrive between these times and Please drop your children off at their normal classroom doors.
 - If you have children in the Infants and the Juniors, please use the Pedestrian Gate and follow the one way system like you normally do for dropping off and picking up
 - If your child is in the Infants please use the Middle Red Gate to drop your child(ren) off, this will also apply when picking your child up
 - Please can you all leave via the nearest clear gate.

Pick Up Arrangements

- The school gates will be opened at 3:00pm and will stay open until 3:15pm. Please arrive to pick up your children between these times. Again, like drop off please go to your child's classroom door to collect.

What do they need to wear?

- Your child(ren) will need to wear their normal school uniform. We are running the same timetable as they would normally do so the children's 'Tracky-Day' will be the same.
- Please make sure they wear warm clothes as we will still be ventilating the school as much as possible (without freezing that is).

Lunch

- We will be running our 'normal' menu – please [click on this link](#) (we are running week 1 this week)

Learning from each other – achieving together

- FSM: If your child is in the infants or FSM in the juniors they will be in receipt of a Free Lunch. Your child still need to order what they need as normal.

What to bring in

- Please bring in their Purple Home Learning Book and their Reading Book – this is very important. If you have misplaced your Purple Home Learning book, then please do let the member of staff know when you drop off tomorrow morning.

What will my child be doing while they are in school?

- They will be following the remote learning set for the day so all children are being taught the same curriculum and diet of learning.
- Our intention is for the normal school day timetable to be followed wherever possible.

See you all in the morning

Mr. Mills
