Dear Parents,

Firstly can I thank all parents for their patience and cooperation while we set up all the lockdown learning and organisation for at least the next 6 weeks. We are moving at a very fast pace but are mindful that everything that we set up needs to be robust and to the highest standard possible. Like many I didn't quite expect 'at least 6 weeks' for a lockdown period.

Home Learning – SVPS Daily Schedule

- We have 'hit' quite a big issue with our current SVPS Daily Home Learning Schedule. With so many more parents now coming under the Critical Worker/Key Worker guidance our previously planned SVPS Daily Schedule will not be robust enough for a period of at least 6 weeks.
- We have designed a brand new way of delivering the highest quality Home Learning but to launch it we need a couple more days to get everything organised.
- **For Thursday and Friday please access the final two days from the Oak National Academy and please make sure your child(ren) are reading for pleasure as much as possible. Please continue to record all learning in the child's Home Learning Book, again more information will be issued on how to collect new books once your child has finished the book they are using.**

I will be writing to you by Friday evening on how our 'very new' Home Learning will work from Monday. **I will finish this letter by asking one favour...please download Zoom App on all your devices please, there will be no need to create an account however you will need the APP downloaded for our new Home Learning to take place.** As I've said above, details about how your child(rens) learning will look from Monday will be sent out by Friday.

Many thanks
