## COVID UPDATE

It's certainly felt like a covid week this week!

As you will have seen there has been a slight change to the guidance we have been given for schools. The letter will be in your 'inbox' or alternatively you can click [here](#). Whilst we wait for more scientific evidence to come out there is a definite feeling of 'erring on the side of caution'.

## Action Meeting

I would like to invite you to Swindon Village community led meeting to consider what we as a community can do to reduce our carbon footprint and promote more sustainable practices in our daily lives. This meeting is initiated by the Parish Council but will be led entirely by the community as we don't want to dictate what should be done. As a local business we feel strongly that you should form part of that decision making process and therefore would really like you to be part of the discussion 😊 Would like to attend? Feel free to email or call me if you have any questions.

Best Wishes, Yolande 07969103957
