Dear Parents,

R.E. Positive Lateral Flow (LFD) Test in Class 2

I am writing to let you know that unfortunately Mrs Waller has tested positive for Covid, therefore you are strongly advised to begin 7 days of LFD testing.

If your child has Covid symptoms, then you must get a PCR not an LFD and isolate immediately.

The COVID symptoms are still

- Annoying/Persistent Cough
- Temperature
- Loss of Taste and/or smell

If your child has no symptoms, then continue to LFD for 7 days.

If your child does test positive on a LFD Test or develops symptoms, then isolate immediately, and let the school know via email admin@swindonvillage.gloucs.sch.uk

Many thanks

Mr G Mills
Head Teacher
