23rd January 2022

Dear Parents,

R.E. Reception Bubble

Over the weekend I have been informed of 1 more positive case of Covid-19 in Class 1 and 4 more cases in Class 2. Whilst Class 1 only has 2 cases, our Reception children mix a lot with each other throughout the day, therefore I will be creating a Reception 'Bubble' for the week ahead.

Below are measures I am now putting into place to minimise transmission around the school. These measures will be in place for the week ahead.

Drop off: Please arrive towards the end of the drop off time (8:50am). Please bring any siblings at this time as well.

Pick Up: Please arrive at 3:00pm. The gates will be opened for you to collect your reception child. If you have older children, you will be able to collect them at this time as well.

Lunchtime: Arrangements are in place to ensure that the Reception classes will continue to receive a full menu choice but at the same time will be kept them separate from Y1-Y6 for the week ahead.

Clubs: If you have older children attending a club then they are, of course, still able to attend. However, I would ask that at the pick-up time of 4:15pm your reception child is not with you. If that is not possible then please try and keep a sensible distance from other parents and children.

Lateral Flow Testing: Thank you to all those who have started a period of daily LFD testing. This process is now very important and I urge all Reception children to continue LFD testing for the week ahead.

If you have any questions or queries then please do email admin@swindonvillage.gloucs.sch.uk

Many thanks and take care all,

Mr G Mills
Head Teacher
