**Head Teacher:** Mr G Mills BA Hons (QTS), NPQH

1<sup>st</sup> February 2022

Dear Parents,

## **R.E. Positive Lateral Flow (LFD) Test in Class 3**

We have been informed of a positive LFD in your child's class therefore you are strongly advised to begin 7 days of LFD testing.

If your child has Covid symptoms, then you must get a PCR not an LFD and isolate immediately.

The COVID symptoms are still

- Annoying/Persistent Cough
- Temperature
- Loss of Taste and/or smell

If your child has no symptoms, then continue to LFD for 7 days.

If your child does test positive on a LFD Test or develops symptoms, then isolate immediately, and let the school know via email [admin@swindonvillage.gloucs.sch.uk](mailto:admin@swindonvillage.gloucs.sch.uk)

Many thanks

**Mr G Mills**  
**Head Teacher**
