The Garden of Hope (an area in the school we are developing for bereaved pupils to use in school) has now been fenced off to create a more private area where flowers, plants, and vegetables will grow. One of our parents, Mr Lee Smith (Archie's Dad) very kindly donated his time to put this fence up for us. We can't thank him enough for helping us with this project.

After School Clubs

There will be lots of children all finishing different clubs at **4:15pm** on various nights – over the course of a week there are 255 children attending Clubs/Tuition.

Please can **ALL** parents who have a child attending a club [click here](#) on where to pick their child up from. With so many children attending a club we want to make it a 'stress free' pick-up 😊 (Fingers crossed).

Children will remain with the club leader until your child sees their parents.
