Labelling your child's uniform

Earlier this week, your child was given some free name labels that can be used to name your child's clothes, especially your child's jumpers and cardigans.

If you would like to order more, please use our number 36009 as we will receive some commission for all sales. 😊

We are constantly finding un-named clothing that isn't easy to reunite with its owner, so please take advantage of these "freebies".
