15th November 2021

Dear Parents of Class 12

I am writing to let you know that a child in Class 12 has unfortunately tested positive for Covid. They developed a temperature last week and is now resting and recovering. I'm sure you will all be wishing them a speedy recovery.

What you need to do now

- Don't worry
- If your child has **NO Covid symptoms** they can come to school as normal, however even if your child has no symptoms you are strongly encouraged get your child a PCR test as they could be asymptomatic.
- **If your child develops covid symptoms, however mild, they MUST NOT** come to school and should book a PCR test immediately and also isolate.
- If you do book/or go to the walk in PCR centre in Coronation Square please email the results to admin@swindonvillage.gloucs.sch.uk Could you state if your child has/has not got symptoms.

As Lateral Flow (LFD) Testing is now regarded as about 92% accurate we thought it best to let you know and, given that our latest information has said that it is okay for under 11s to now use LFD tests, **we would also advise that you Lateral Flow your child every few days for the next week.**

Thank you for your understanding and we hope this will cause minimal disruption.

Yours sincerely

Mr G Mills
Head Teacher
