22nd November 2021

Dear Parents of Class 11

Further to our letter dated 16th November, I am writing to let you know that another child in Class 11 has unfortunately tested positive for Covid. The child had no official Covid symptoms and is now isolating at home.

What you need to do now

- Don't worry
- If your child has **NO Covid symptoms** they can come to school as normal, however even if your child has no symptoms you are strongly encouraged get your child a PCR test as they could be asymptomatic.
- **If your child develops covid symptoms, however mild, they MUST NOT** come to school and should book a PCR test immediately and also isolate.
- If you do book/or go to the walk in PCR centre in Coronation Square please email the results to admin@swindonvillage.gloucs.sch.uk Could you state if your child has/has not got symptoms.

As Lateral Flow (LFD) Testing is now regarded as about 92% accurate we thought it best to let you know and, given that our latest information has said that it is okay for under 11s to now use LFD tests, **we would also advise that you Lateral Flow your child every few days for the next week.**

Thank you for your understanding and we hope this will cause minimal disruption.

Yours sincerely

Mr G Mills
Head Teacher
