

SCHOOL DINNER CENSUS

Thursday 20th January is our School Census Day, part of the requirements for this means that we have to record the number of children who order a school meal on this day.

Some of our funding is based on the number of children who order a meal that day. Therefore, we are appealing for as many children as possible to order a school meal next Thursday on Census day to ensure that the school receives the maximum funding possible going forward.

We are putting on a special menu for this day to hopefully encourage full participation.

The menu for this special day is shown below.

Please support us with this as the more children that order a dinner on **Thursday 20th January**, the more funding the school receives. Hopefully all the children will enjoy the special menu that is on offer.

Chicken Strips (Main)

Cheese and Tomato Pizza (V)

Served with Chips & Baked Beans

Salad Bar

A choice of Ice Cream, Jelly, Yoghurt, Fresh Fruit, Variety of Sponges or Cheese & Crackers

Jacket potatoes, baguettes (Y3-Y6) & sandwiches (Rec-Y2) will be available
