

Swindon Village Primary School

Dear parents,

As you may be aware from discussion with your children, we have recently introduced a new reading system called Accelerated Reader in years 5 to 6 of SVPS. The aim is to bolster the delivery of home and school reading.

To introduce this, we would like to invite you to a meeting where we can explain how it works both in and out of school to benefit the reading of your children.

We would like to invite you to a presentation/information session to introduce you to this exciting reading initiative on **Wednesday 13th November**. There will be a presentation at **14:30**, the same session will be repeated at **18:00**. The session will only last 30 minutes and we will provide a crèche for the 18:00 session.

Please complete the slip below and return to the main office. If there are not enough numbers (minimum 20 parents) to the evening session, we will have to cancel this. Please bring the forms in to the main office by **Wednesday 6th November**.

We look forward to seeing you then.

Many thanks
