Dear Parents,

RE: Just Dance and Birthday Afternoons

Continuing with our on-going drive to support the well-being of children and staff at SVPS we are going to start a 'Just Dance and Birthday afternoon'. With all the restrictions in place we want children and staff to be able to have a 'mini-birthday' afternoon. This is how it will work:

- 1. In the last P.E lesson of each Month (closest dates to the end and beginning of each month) your class bubble will have a 'Just Dance' party style session in the hall. Just Dance videos are great fun, pretty good exercise and also covers some of the P.E. curriculum at the same time.*
- 2. The other ½ of the afternoon will be spent having 'chill-out' games/drawing...etc in their class and also sing Happy Birthday to all the children (and staff) who have had a birthday during that month.*

What do parents need to remember/do?

Nothing! The day will run as normal. Children will come to school in their normal P.E wear for the day but we wanted to let you know all the lovely well-being opportunities we are trying to build into our normal teaching days.

Can Parents still send in 'treats' for their child's birthday?

Yes. As long as they are in individual sealed bags. E.g. Haribo...etc. As always please speak/email your child's teacher about specific allergies.

Thanks for your continued support and as always do take care,

Mr. Mills Head Teacher
