Keyworker provision – commitment to specific days each week

Dear Parents,

We have enjoyed teaching and caring for your children throughout the lockdown period. We will continue to do so but we need your support in ensuring that your children are grouped with their peers wherever possible.

The number of parents requiring our provision for Keyworkers has increased considerably over the last couple of weeks. We are now running four groups for children of keyworkers. The groups have been organised so that children are working with others of a similar or same age group. Obviously this allows us to teach the children as a group more effectively and allows the children to mix within their established friendship groups.

In order to keep this system running smoothly it would help us enormously if we could have a **firm commitment** for the days that you require our key worker provision. Please tick the boxes below to indicate which days you will require from now on. If possible, we would like a firm commitment for the same days each week. If this proves to be impossible, please let us know.

If you **no longer require keyworker spaces at all**, then please let us know. There have been some instances where children have yet to attend keyworker provision despite requesting spaces.

Please complete by **Monday 8th June** or email admin@swindonvillage.gloucs.sch.uk

I would like my child(ren) to attend the SVPS keyworker group(s) on the following days each week.				
Monday	Tuesday	Wednesday	Thursday	Friday

Yours sincerely

Mr. Mills, Head Teacher
