Dear Parents of Class 7

I am writing to let you know that a member of staff in Class 7 has unfortunately tested positive for Covid. They developed loss of sense of taste and smell and cold-like symptoms overnight and is now resting and recovering. I'm sure you will all be wishing them a speedy recovery.

What you need to do now

- Don't worry
- If your child has **NO Covid symptoms** they can come to school as normal on Monday, however even if your child has no symptoms you are strongly encouraged get your child a PCR test as they could be asymptomatic.
- **If your child develops covid symptoms, however mild, they MUST NOT** come to school and should book a PCR test immediately and also isolate.
- If you do book/or go to the walk in PCR centre in Coronation Square please email admin@swindonvillage.gloucs.sch.uk Could you state if your child has/has not got symptoms.

Thank you for your understanding and we hope this will cause minimal disruption.

Yours sincerely

Mr G Mills
