Dear Parents of Year 4

I am writing to let you know that Mr Roddis has unfortunately tested positive for Covid. He developed COVID symptoms overnight and is now resting and recovering. I'm sure you will all be wishing him a speedy recovery.

We felt it best to let all of Year 4 know due to everyone being on the residential trip last week.

I am in the process of arranging cover for Mr Roddis, however, it is highly likely that Mr Philcox will be teaching Class 10 on Monday.

Parents' Evening (Class 10)

- Parents' evenings for Class 10 scheduled for Tuesday and Thursday next week will have to be postponed, and will now take place on Tuesday 2nd November and Thursday 4th November. The times will remain the same as those already booked for next week and will be transferred to the new dates.

What you need to do now

- Don't worry
- If you haven't already done so, we strongly encourage you to get your child a PCR test as they could be asymptomatic.
- If your child has **NO Covid symptoms** they can come to school as normal on Monday.
- **If your child develops covid symptoms, however mild, they MUST NOT** come to school and should book a PCR test immediately and also isolate.
- If you do book/or go to the walk in PCR centre in Coronation Square please email admin@swindonvillage.gloucs.sch.uk Could you state if your child has/has not got symptoms.

Thank you for your understanding and we hope this will cause minimal disruption.

Yours sincerely

Mr G Mills
Head Teacher
