# **Attendance**

#### Do I have to send my child back to school in September?

The guidance for fully reopening school (2.7.2020) clearly states that attending school is compulsory for all children.

'Missing out on more time in the classroom risks pupils falling further behind. Those with higher overall absence tend to achieve less well in both primary and secondary school. School attendance will therefore be mandatory again from the beginning of the autumn term. This means from that point, the usual rules on school attendance will apply, including:

- parents' duty to secure that their child attends regularly at school where the child is a registered pupil at school and they are of compulsory school age;
- schools' responsibilities to record attendance and follow up absence •
- the availability to issue sanctions, including fixed penalty notices in line with local authorities' codes of conduct'

From Friday 4<sup>th</sup> September we will be expecting your child back to school as normal. If there are medical reasons why your child should not be returning please email admin@swindonvillage.gloucs.sch.uk explaining why your child may not be able to return to school.

#### My Child feels poorly – should I send them to school?

- If your child is displaying any of the coronavirus symptoms, you should IMMEDIATELY engage with the NHS Test and Trace process.
- Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet.
- Essential workers, which includes anyone involved in education or childcare, have priority access to testing.
- Symptoms are:
  - New Persistent Cough
  - Temperature (37.8+)
  - Loss of smell and/or taste

If your child is just a 'little under the weather', but may require some medicine i.e. calpol then please follow the same procedures as before the lockdown...PINK FORM to be filled in and the medicine to be clearly labelled and handed in at the MAIN OFFICE. Please note, we only give medicine at 12:00pm.

# **Keeping in Touch**

#### How do I keep in touch with all the latest information?

Over the past 12 months we have increased our methods of communication and it is vitally important that you continue to look at the following methods of communication on a daily basis:

Please check your personal emails daily. With the continued 'new-normal' we will not be sending home slips of information very often. Virtually all letters and notes will be **emailed.** 

We do pay for a text messaging service but with the current financial climate texts will only be sent in case of last minute changes/reminders/emergencies

This has been very successful. If you are not yet following us/liking us then please click this link <u>https://www.facebook.com/pages/category/Element</u> <u>ary-School/Swindon-Village-Primary-School-</u> 2365704203704475/

This has been very successful. Each class has their own Blog – more details will be sent out once your child is back.

Our Website is also a great place to find the latest news, please continue to check on a regular basis.

As always please do pick up the phone and speak to us, our number is 01242 690016
