

Swindon Village Primary School

Dear Parents/Carers,

As I'm sure you're aware, our main topic focus for this term is history. The children have had a fascinating time so far learning about people and significant events from the past.

As part of our celebration of learning we will be holding a **Whole School History Day** on **Wednesday 23rd October**. We are asking that every child from years 1-6 dresses in clothing that reflects the time period that they have studied. Here is a list of the time periods studied:

Year 1	Great Fire of London
Year 2	The Titanic
Year 3	Stone Age
Year 4	Egyptians
Year 5	Mayans
Year 6	World War Two

During the day, children will enjoy sharing their learning with children from other classes.

As the ancient Maya wore unique, traditional clothing styles, **we are asking that children wear brightly coloured, multi-patterned clothing where possible**, with some potential ideas below:

The children have already made some spectacular headdresses that they will be wearing as part of their outfits!

Please note, we are **not** asking for parents to buy expensive costumes for the day. We simply want to create a memorable experience in your child's education.

Mr Beardshaw-Brown & Mr Bradnam
