Dear Parents,

RE: RSE (Relationships and Sex Education) Update

Some of you may be aware that from September 2020 RSE (Relationships and Sex Education) became compulsory for all children in Primary Schools in England. With the lockdown restrictions from January – March we were unable to teach our RSE modules (This is normally timetabled for the start of Spring term). I was also very conscious that our school needed to get back to some sort of normality before we delivered our RSE modules. The plan is to deliver our RSE modules towards the end of the summer term however, for Year 6, there is also the added complication of Y6 Transitions to secondary school as not all secondary schools have the same days!

Y6 RSE lessons

- With all the above being taken into consideration and looking at all the other activities planned for Y6 we are only left with the first few weeks back after ½ term to deliver our RSE modules.

Viewing materials and our RSE policy

- It is important that parents are given the opportunity to view the materials we will be using. As these are physical books...etc we are unable to show them virtually.
- We have set a-side **Thursday 27th May for parents to view the Y6 RSE materials**. These will be placed outside on the Y6 playground and Mrs Brain and Mr Bradley will be around for each 'viewing session' just in case there are any questions. Below is also the link to our RSE policy for parents to read at their leisure as well.
- There are two slots available
 - 8:30am – 9am
 - 3:15pm – 3:45pm

Thanks for your continued support and as always do take care,

Mr. Mills - Head Teacher
