As we mentioned last week, the children ideally need pink, black, white and light and dark brown paint for today's session. Brown can be made by mixing red, blue and yellow and can be made lighter/darker with white/black. Alternatively the children could paint 'funky, multicoloured' cows. Please don't worry if you don't have access to paint as the children could create their own cow in the style of Sam Morris using felt pens, colouring pencils, wax crayons, pastels, fabric or any combination of these.

If the children are painting then ideally they will need a thicker paper such as card or even the inside of a brown envelop (this is what I used at home).
