

Summer Two –

Exciting Events:

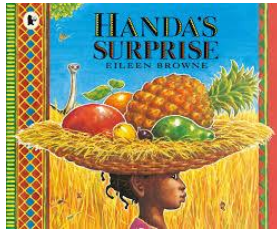

Trip to the beach
Sports Day
Meeting our Year 1
teachers / transition day.

English

We will be focusing on writing sentences with a capital letter at the start and a full stop at the end working with increasing independence. We are continuing to enjoy Drawing club, looking at traditional tales, comics and high quality picture books as stimulus for our writing.

Our key texts

We will recap all of our everyday words learning how to read and spell them.

Mathematics

(Click [here](#) for more info)

We will use repeated addition to find even numbers.
We will use repeated addition to find doubles.
We will distribute objects by sharing them into equal groups.
We will talk about how 3D shapes are the same or different.
We will explore objects using the language of longer than and shorter than, lighter than, heavier than, full, empty.

Reception Summer Term Two Overview

We are entering our final term of the year. This term much of our learning will be geography. Our children will be learning about different parts of the world, carrying out fieldwork and learning important geographical skills e.g. mapwork. Learning from across the whole curriculum will link to our main theme.

Personal, Social and Emotional Development

We will identify how we can care for our home, school and special people.

Physical Development

P.E

We will learning athletic skills such as running and jumping. We will be learning how to walk with an object with increasing balance.

Handwriting

We will continue to work on forming capital letters –

Straight lines – L T I F E H

Staigh line and slant – V W X Y A N M K Z

Straight and Curly – D P B R J G Q U

Curly Line – COS

(Click [here](#) for more info)

Communication and Language

We will listen to nursery rhymes from around the world e.g. 'Frere Jacques', La Cucaracha and will join in with story recounts.

We will learn how to ask questions to find out more and show understanding about what has been said.

Understanding the World

We will learn about 'Hot and Cold areas of the World'

We will talk about what the weather is like where we live.

We will talk about some of the things we might find in a hot place.

We will talk about some of things we might find in a cold place.

Expressive Arts and Design

Art

We will be looking at how we can create our fish using tux paint on the Ipad.

Music

We will be continuing our transport topic from last term. The children will learn to move to different tempos and interpret a score using symbols.

New Phonics Sounds

igh o / oa oo

Religious Education

We will ask; why are some things and stories?
