Kai and the Monkey King

Ruby's Wish

Year Two Summer Term One Overview

We are entering our final term of the year with a brand new theme – A race around the world! This term much of our learning will be geography. Our children will be learning about different parts of the world, carrying out fieldwork and learning important geographical skills. Learning from across the whole curriculum will link to our main theme.

Mathematics

We will be learning to (Click [here](#) for more info):

- Learn more about time – every 5 minutes past the hour and to the hour
- Solve problems with money including finding change
- Recall and use multiplication facts for x2, x5 and x10 tables

Geography

We will be learning to (Click [here](#) for more info):

- Name and locate the world's seven continents and five oceans
- Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and China

Computing

We will be learning to (Click [here](#) for more info):

- Take a good photo
- Learn how light affects photos
- Portrait or landscape
- Having a focus
- Near or far

Science

- Complete a woodlice investigation
- Learn about what seeds and bulbs need to grow.
- Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy

Physical Education

We will be learning (Click [here](#) for more info):

- Athletics and orienteering skills this term.

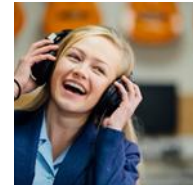

Personal development

We will be learning about:

Economic Wellbeing

- Where does money come from?

Religious Education

Key question:

How do some people talk to God?

Music

We will be learning about:

Contrasting dynamics

- Children will learn to create and perform a musical structure

Art

We will be learning to (Click [here](#) for more info)

- Create a digital painting of a landscape in the style of Roy Lichtenstein.
- Use a range of tools on the ipads to create lines, colours, shapes and tones.
