- use a wide range of strategies to make our writing flow.

We will be writing: a diary entry

### Key texts

The Explorer  
by Katherine Rundell

The Great Kapok  
Tree  
by Lynne Cherry

## Year 5 Summer Term One Overview

We are entering the summer term with a brand-new theme – A race around the world. This term much of our learning will be geography. Our children will be learning about different parts of the world, carrying out fieldwork and learning important geographical skills e.g. mapwork. Learning from across the whole curriculum will link to our main theme.

### Mathematics

We will be learning about fractions.

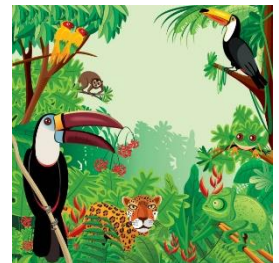

We will learn to multiply proper fractions by whole numbers, recognise mixed numbers and improper fractions and convert from one to the other and add and subtract fractions with the same denominators.

Click [here](#) for further information.

$$8\frac{1}{2} = \frac{17}{2}$$

### Geography

The children will love learning all about the rainforests this term. From plants to animals to where rainforests are. [Click here](#) for further information.

## Computing

We will learning all about photo manipulation.  
Click [here](#) for more information.

## Science

We will be learning about the human life cycle.

- Studying human development and changes
- Key stages of the life cycle
- Comparing Human gestation and other animals

## Religious Education

Who should get to be in charge?

- Learning about laws in different religions
- Comparing religious laws
- Gurus and religious leadership

## Physical Education

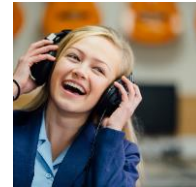

We will be learning tennis and athletics skills this term.  
Click [here](#) for more information.

## Music

Looping and Remixing

Children will learn how dance music is created by combining loops.

## French

Follow the Teacher!

Responding to common classroom instructions through games. Learning vocabulary for classroom items.

## Art

For the summer, we will be learning to screen print and will decorate a t-shirt with a rainforest inspired design.
