THE PTA NEEDS YOU!

Our PTA – Friends of Swindon Village Primary School (FoSVPS) – brings our school community together to raise funds, create memories and support our children to thrive.

TASKS & WHAT'S INVOLVED

Being part of the PTA doesn't mean you need loads of time – every bit of help makes a **BIG** difference!

-  **ATTEND MEETINGS**
Join a friendly team a few times a year to share ideas and plan exciting events.
-  **HELP PLAN EVENTS**
From fairs to discos, movie nights to seasonal celebrations – help bring fun to school life.
-  **SUPPORT ON THE DAY**
Lend a hand at events – set up, welcome families, run a stall, serve refreshments, tidy up.
-  **FUNDRAISE & THINK BIG**
Help us raise vital funds and dream up new ideas to enhance our children's learning and experiences.
-  **BE A COMMUNITY LINK**
Share ideas, encourage others to get involved and help make our school an even better place.

You don't need any special skills, just **enthusiasm** and a willingness to **get involved!**

Many hands **make light work!**

 SUPPORTING OUR SCHOOL
 ENRICHING OUR CHILDREN
 STRENGTHENING OUR COMMUNITY

A huge congratulations to Mrs Sargeant! This year marks 25 years of teaching, and what makes it even more special is that all 25 years have been at Swindon Village. In recognition of her outstanding dedication to our school community, we presented her with a special Effort Maker award in assembly this morning.

Emails Issue

We have recently experienced a fault with our email system (which has now been fixed). Unfortunately, this may have affected some emails sent to school over the past few weeks, meaning that not all messages have been received by us.

If you have contacted the school during this period and have not yet received a response, please do not hesitate to resend your email. We apologise for any inconvenience this may have caused.

Contact Details & Collection Arrangements

If you have not already returned the contact details sheet sent home with your child's report in the Summer Term, please do so as soon as possible.

Keeping your contact information up to date is important so that we can reach you quickly if needed. The form also allows you to update the list of people authorised to collect your child from school.

If we do not receive an updated form, we will assume you are happy for the authorised collection arrangements from last year to remain in place.
