

# SVPS Headlines

## CLUBS – Before, Lunchtime, After School

Children will have taken home the club sign up sheets yesterday. Please spend time talking through which clubs they might would like to try and get into. Forms need to be returned by **Tuesday 14<sup>th</sup> January**.

## LUNCH MENU/CENSUS DAY – Next Thursday

**Thursday 16<sup>th</sup> January** is our School Census Day. Part of the requirements for this means that we have to record the number of children who order a school meal on this day.

**Some of our funding is based on the number of children who order a meal that day. Therefore, we are appealing for as many children as possible to order a school meal next Thursday, to ensure that the school receives the maximum funding possible going forward.**

**We are putting on a special Pizza and Hot Dog Day menu for this day to hopefully encourage full participation.**

Please support us with this as the more children that order a dinner on **Thursday 16<sup>th</sup> January**, the more funding the school receives. Hopefully all the children will enjoy the special menu that is on offer.

## Spring Term P.E. & Forest School Timetable

Day	AM	PM
Monday		Y2 P.E.
Tuesday		Y2 Forest School – See letter emailed and sent home Y5 P.E./Swimming – see letter emailed Y1 P.E.

Wychwood Festival: 30th May – 1st June...

# Should I keep my child off school?

## Yes

### Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

## No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek
