

Swindon Village Primary School

17th November 2025

Dear Parents and Carers,

We are delighted to let you know that the Year 4 classes will be taking part in Samba band music tuition this term. This is a wonderful opportunity for the children to experience learning new instruments, develop their musical skills, and enjoy making music together as a group. Samba tuition will begin on Tuesday 6th January. This is a ten-week program: the tuition will be delivered by The Music Junction.

Teaching children in a samba band fosters musical skills, teamwork, and coordination, while also providing a fun and energetic outlet. It offers a unique way to learn about a different culture, encourages creativity, and builds confidence and resilience through a shared, engaging activity. This is a wonderful opportunity and we are sure that your children will benefit from, and enjoy this valuable experience.

To help us provide these lessons, we are asking for a small contribution of £5 per child which has been significantly reduced by school funds. Your contribution will go directly towards supporting the cost of the specialist music teacher and resources needed for the sessions.

There is no obligation to contribute, but **any** amount you are able to offer will make a real difference and will help us continue to provide these enriching experiences for the children.

If you are able to make a donation, please do so via scopay.

Thank you, as always, for your support in giving the children opportunities to learn and thrive.

With best wishes,

Mrs Roach
Music Co-ordinator
