Fresh Look to our Entrance

Thank you to **Steve Babbage** from **Galliford Try** who has arranged a donation of 2 new sofas and a table from their **Project Oak Site in Cheltenham**. I'm sure you'll all agree it has brightened up our entrance hall area.

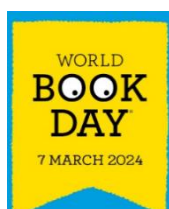

World Book Day

A reminder that next **Thursday** is World Book Day. If you can, please try to link your outfit to a word – there is no need to spend lots of money, just keep it inexpensive.

We'll also be announcing the winners of the 500 words writing competition and giving all of the children their World Book Day token to redeem.

Our fantastic kitchen staff will be cooking a special World Book Day menu – see details further on.

Parent Survey

<https://www.surveymonkey.com/r/HR6V6DV>

If all the parents from our school could spare a couple of minutes to complete this survey (link above) that would be very much appreciated.

This is very important to us as a school to ensure we are offering our parents, pupils and staff all the support they need when our well-being is suffering.

It will only take a couple of minutes and there are not very many questions, I promise 😊 If it could be completed by next Friday, 8th March that would be amazing.

Many Thanks

Mrs Brown

Reflective spaces

From the 4th – 6th March, Class 9 will be converted to a Reflective Space. Our children will get an opportunity to take part in the activities that have been set up in the room. Reflective Spaces are an initiative set up and run by Gill Heron, who is an ex primary teacher.

The broad aim is to provide children with the space and time to reflect upon important values and issues through discussion, art, writing and moments of quiet reflection.

This should prove to be an interesting and thought-provoking experience for our children.
