Forest School

17th October 2024

Dear Parents/Carers of Class 11

We are excited to announce that our Forest School programme will continue. In the Autumn Term, Year 5 will receive this opportunity. For the Autumn Term each class will receive $\frac{1}{2}$ term of weekly afternoon Forest School. Class 11 will be in Autumn 2.

Class 11 will have Forest School on Wednesday afternoons starting week commencing 4th November.

Your child will need to bring the following clothing to school each Wednesday, ideally in a 'bag for life' as these are strong and big.

- Old clothes (including a long sleeved top) which you do not mind if they get muddy
- Waterproof coat...again this is likely to get dirty
- Waterproof trousers if possible
- Wellington boots if possible (if not old shoes which can get muddied).
- A plastic bag to put any muddy clothes into after the sessions.

Due to the time of year, please ensure your child has warm clothes.

Additional information about Forest School

Forest School is the name for an approach to educating children in the outdoors on a regular basis. This work will support the main curriculum (particularly literacy, science, technology and the arts) and will have a strong emphasis on continuing to raise children's self-esteem and independence. Forest School activities include wood craft, fire-making (and cooking), and den building, as well as learning to understand, appreciate and protect the environment.

An integral part of the Forest School experience is that children will experience the outdoors in all weathers and through all seasons. With the exception of very high winds and thunder storms or illness, please assume that your child will be outside when they take part in Forest Schools, even if it is for a shortened session.

We have undertaken a large amount of risk assessments to minimise any risk within Forest School activities to an acceptable level. However, every session begins with a reminder of key rules to ensure that everybody enjoys their time at Forest School.

Many thanks
