Farewell to Our Year 6 Children

As another school year comes to an end, we would like to say a huge congratulations and well done to all of our wonderful Year 6 children.

You have worked incredibly hard, shown resilience, kindness and determination, and have been fantastic role models for the younger pupils throughout the school. We are so proud of everything you have achieved during your time with us, from your academic successes to the friendships you have built and the memories you have created.

As you leave primary school and begin an exciting new chapter in secondary education, take with you the confidence, skills and values that have helped you grow into the amazing young people you are today. While we will miss your smiles, enthusiasm and energy, we know that you are ready for the opportunities and challenges ahead.

We wish each and every one of you the very best for the future. Dream big, work hard, be kind, and never stop believing in yourselves.

Good luck, Year 6 – we are incredibly proud of you! 🌞 🎓

**Mrs Minopoli**

After 35 remarkable years of dedication, passion, and inspiration, Mrs Minopoli is retiring from education. Throughout her time in the classroom, she has supported the lives of countless children, nurturing confidence, curiosity, and a love of learning. Her commitment, kindness, and unwavering support have left a lasting impact on generations of young people, as well as colleagues who have been fortunate to work alongside her. As she begins this exciting new chapter, we celebrate her incredible achievements and thank her for the difference she has made every day. We wish her a long, happy, and well-deserved retirement filled with joy, relaxation, and new adventures. Congratulations, Mrs Minopoli, and thank you for 35 wonderful years of service.

Millionaire Readers Celebration

A huge congratulations to our **39 Millionaire Readers** this year! 🌟

Reaching this fantastic milestone is a testament to your dedication, enthusiasm and love of reading. Throughout the year, these children have immersed themselves in hundreds of books, expanding their knowledge, imagination and vocabulary along the way.

To celebrate their incredible achievement, our Millionaire Readers enjoyed a special **Pizza Lunch with Mr. Mills** – a well-deserved reward and, by all accounts, absolutely delicious... **yum!** 🍕 😊

Thank you 😊

As we come to the end of another successful school year, I would like to take this opportunity to thank all of our staff for their exceptional hard work, dedication, and commitment to our children and families. Throughout the year, they have gone above and beyond to create engaging learning experiences, provide care and support, and help every child achieve their very best.

Their passion, professionalism, and unwavering focus on our pupils make our school such a special place to learn and grow. We are incredibly grateful for all they do, often behind the scenes, to ensure that every day is a positive and enriching experience for our children.

On behalf of the school community, thank you to our wonderful staff for another fantastic year. We wish everyone a well-deserved summer break and look forward to welcoming you back in the new academic year.

Apply online for free school meals

😊 Click the link 😊

www.gloucestershire.gov.uk/education-and-learning/free-school-meals/

From the start of the 2026 to 2027 academic year, all children from households in receipt of Universal Credit attending maintained schools, academies and free schools will be entitled to receive a free meal. Check to see if your child is eligible using the confidential online portal available on our website

www.gloucestershire.gov.uk/education-and-learning/free-school-meals/

You can secure a tasty free meal for your child and **save yourself up to £495 per year**. Plus, schools receive extra funding for each child registered as Targeted FSM – this category relates to children who are in households in receipt of Universal Credit with annual household earnings of £7,400 or less. Even if you don't want your child to take a free meal, you should still apply to ensure their school receives all the government funding to which it is entitled, helping them provide your child with the best education and support.

If your child is in Reception, Year 1 and Year 2 and receives a Universal Infant Free School Meal arranged by their school you should still apply to enable your child's school to get any extra funding to which it is entitled. If you do not have access to a computer or the internet, please speak to your child's school.

For further information, including a list of qualifying benefits, visit our website or speak to your child's school today.
