9<sup>th</sup> January 2024

Dear Parents

## **Swimming – Spring Term [Class 10]**

I am writing to let you know that Class 10 are taking part in swimming lessons during the Spring Term (after half term). We have decided to increase the amount of time spent in the pool each week to one hour for 4 weeks, with a possible continuation in the Summer Term, as we feel this will be beneficial to everyone.

### **How much will swimming lessons cost?**

- £20 - 1 hour of swimming each week for 4 weeks. We are keeping our rate from previous years. This is just £5 a lesson (for 1 hour), which if you compare to private lessons is an absolute bargain!
- Please note that whilst this is a National Curriculum requirement, swimming is a huge cost and strain on our ever depleting school budget. We are very fortunate that this year our fabulous FOSVPS still have enough funds to support swimming in Key Stage 2 and we are still able to maintain the same charge from 2018-2019.

### **How can I pay?**

Payment can be made in one of three ways **by Friday 2<sup>nd</sup> February 2024**:

- our Online Payments Facility – this is our preferred method – please contact the office if you haven't yet registered for scopay
- cash or cheque payable to Swindon Village Primary School (SVPS).

**Please could you sign and return the slip below.**

### **What will my child need to bring on their swimming day?**

- P.E. Kit to be worn please
- Swimming costume (no bikini's please)
- Towel
- Goggles – optional but they really do help
- Bag – please make sure that the bag can fit your child's clothes in so no clothes are left behind!

Please put your child's name clearly on ALL items of clothing/towel/goggles...etc.

### **Which Days will swimming be on?**

- Monday afternoons on 19<sup>th</sup> February, 26<sup>th</sup> February, 4<sup>th</sup> March and 11<sup>th</sup> March.

**Please note that pyjamas will be needed on 4<sup>th</sup> March.**

***Learning from each other – achieving together***

**Where are the children swimming?**

- We are continuing to use Tewkesbury School Swimming Pool as they are able to provide transport to and from school which is great.

*As this is a National Curriculum requirement there is no option to opt out at this stage. Once your child can swim, and demonstrate to the swimming teacher that they are able to swim the required distance confidently we will be in touch.*

Yours sincerely

**Mr. Mills, Head Teacher**
