Dear Parents

Doodle Learning

Due to financial constraints on schools at the moment, we have taken the decision not to renew our subscription with Doodle Learning.

It is no longer used in school, and is only being used by a handful of children at home.

We understand that your child may have long streaks with Doodle Learning and they can continue to use their login at home until the 8th March 2024. If your child would like to continue with Doodle you are able to purchase a login directly from them and we can help to have this streak carried over if you need to.

We hope your child will not be too disappointed.

Kind Regards
