29th January 2025

Parents of Year 6

TYF Choices

This has been emailed today – please respond promptly. Thank you.

We're very excited to be starting to plan for our Year 6 trip to Broad Haven. As part of the trip, everyone takes part in an Adventure Day at TYF, where your child will do TWO activities from the choice of seven available.

Please ask them to order their first FOUR choices below so that we can ensure that they all get their first or second choice, and one other.

It is essential this is completed no later than **Monday 10th February** as the centre need the information so that they can book/allocate their instructors.

Please click on the link below to submit your child's choices:
