BigHit Cricket Club!

Dear grown-ups,

**Pupil Premium
Discounts Available!**

With The Ball Sports Coaching are excited to be extending and enriching PE opportunities at **Swindon Village this year!** We're delighted to be offering our **Big Hit Cricket Academy After-School Club on Wednesdays**, open to **children in Y1 to Y6**.

Big Hit Cricket Academy is our exciting, high-energy programme for children who want to learn new skills, improve their game and grow in confidence. Whether your child is picking up a cricket bat for the first time or already loves the sport, our progressive sessions will support and challenge them at the right level.

Throughout the term, children will develop **batting, bowling, catching, fielding, running between the wickets and match awareness**, alongside coordination, teamwork and decision-making. Sessions combine clear coaching, energetic skill challenges and small-sided games, helping children practise and apply their skills in realistic match situations.

Activities are adapted to ensure every child remains active, engaged and supported. Players receive demonstrations, coaching points, individual encouragement and repeated opportunities to improve and experience success.

Spaces are limited and offered on a **first-come, first-served basis**. Full club details and booking information can be found by scanning the QR code or visiting: <https://with-the-ball-sports-coaching.classforkids.io/info/417>

We fuel **life-changing sports experiences for every child**. Our sessions are inclusive, safe and built around **structure, progress and purpose**. Children attending at least one after-school club each term make, on average, **18% more progress across the PE curriculum** than those who do not.

Eligible children can receive a **33% Pupil Premium discount**. Please contact us with confirmation from your child's school before booking.

We look forward to welcoming your child to the academy!

Best wishes,
