

KS2 Sports Day stations , parent areas and start points

Sports' Day 2026 - Key Stage 2 1:15pm to 3pm

This is running slightly differently to previous years and is now a carousel of competitive activities. Parents are welcome to move around and watch individual year groups but please stay within your parent zones and allow the children to stay with their classes. If you have children in multiple Key Stage 2 classes, please feel free to move between Year Groups. Children are not permitted to enter the 'Parent-Zones'.

All points will be collated at each station and tallied by a central results table so we can announce an overall winner to the children in an assembly the following week.

Please ensure your child is in their PE top in their house colour with dark coloured shorts. **They need to wear trainers, a sun hat and have suncream applied beforehand. They will need a drinks bottle with them.**

Photos/Videos are permitted throughout but please use these for personal use as some children are not allowed on Social Media sites.

We hope you can join us beforehand at the family picnic and that you enjoy the day.

Mrs Stewart, Mrs Brown and all the KS2 SVPS Staff. 😊
