

6th March 2025

Dear Parents,

After a recent re-allocation of Forest School resources, we have had to change the dates that this is taking place.

The revised date for your child's final Forest School session for this year is-

Class 1	26 th March
Class 2	19 th March
Class 3	27 th March
Class 4	20 th March
Class 5	11 th March
Class 6	18 th March

Class 5 finish earlier than other classes because I will be away on a school residential for their last session, however, I will try to arrange an extra session for class 5 one morning in March, and will let you know when this is.

I hope your child has enjoyed their Forest School sessions and I look forward to seeing your child in Forest School in the future.

Yours sincerely

Mr Huck
