Staffing Update & Transition

We are now fast approaching the end of this academic year. For many children the unknown about who will be teaching them next year can be a bit a worry, therefore the Leadership Team and I have decided to try something a little different with the move up experience this year. From talking to children some of their main worries are; how do they find their new classroom in the mornings, how does drop-off & pick-up work and also about spending a bit more time with their new teacher(s). In light of this we are going to try below:

Wednesday 16th July = Transition afternoon

- Children will spend the afternoon with their new teacher.
- **We would like all parents to collect their child from their new classroom (see overleaf).**
- **Children in Y5 (who will be Y6 for the afternoon may continue to walk home alone as they usually do – consent is needed for this)**
- Y6 children will be collected/allowed to walk home alone from **EYFS**.

Thursday 17th July = Transition morning

- Children should be **dropped off at their NEW classroom doors** (same as Pick-Up the previous day).
- Ready Steady Club children may continue to use this club from 8:40am on this day. Although ideally it would be great if every child could go through their new classroom door.
- **Y6 children should go straight into EYFS** as soon as they come through the main gates at 8:40am.
- Children who attend The Terrapins/Drop & Go will be taken to their new classrooms.

Teachers for Next Year

- As you are all aware Mr. Adsett is retiring after 30 years in teaching (19 years at SVPS). After a successful interview process last week, I am now able to confirm that Mrs Kreft has been appointed and will teach in Year 6 next year. Mrs Kreft is an experienced, talented, respected and well-liked Year 6 teacher. She also knows our current Class 12 already after teaching them many times this year. Please see page 2 for full details of which teacher is teaching where and which class is going where.

Many thanks,

Mr. Mills, Head Teacher
