

Summer One: Staying Alive.

Exciting Events:

- Growing plants
- Drama workshop
- Spring Bounce
- 3WS Class Assembly

English

NC Objectives

- Use compound sentences
- Listen to, read and discuss a wide range of fiction, non-fiction and poetry
- Use paragraphs to organise ideas

Key Learning Outcomes

Texts: Charlotte's Web by EB White

Poetry, non-fiction and narrative writing

English across the curriculum

Art – Goldsworthy – outdoor art

Science – plants – growing plants on farms

French

NC Objectives

- listen attentively to spoken language and show understanding by joining in and responding

Key Learning Outcomes

- Food

Year 3 Summer Term One Overview

We are entering our final term of the year with a brand new theme – Staying Alive! This term much of our learning will be about plants. Our children will be learning facts about what plants require for life and growth. Learning from across the whole curriculum will link to our main theme.

Mathematics

NC Objectives

- Fractions 1 week
- Length and Perimeter – 2 weeks
- Time – 2 weeks

Key Learning Outcomes

- Recognise and show, using diagrams, equivalent fractions with small denominators.
- Measure, compare, add and subtract: lengths (m/cm/mm); mass (kg/g); volume/capacity (l/ml).
- Introduce the idea of perimeter
- Read the time to 5 minutes on digital and analogue

Maths across the curriculum

Science – plants – recording how much water a plant needs to grow

Computing

NC Objectives

- Explain what the Internet can be used for and how the Internet lets people communicate and collaborate.
- Describe the World Wide Web.
- Talk about the parts of a computer

Art and Design Technology

NC Objectives – Van Gogh Sunflowers

- Imitate some of the techniques used by studied artists
- Improve the mastery of art and design techniques, including drawing and painting

Key Learning Outcomes

- Produce work in the style of Van Gogh

Physical Education

NC Objectives

- Develop flexibility, strength, technique, control and balance
- Use running, jumping, throwing, catching in isolation and in combination

Key Learning Outcomes

- Athletics
- Swimming

Science

NC Objectives

- Plants

Key Learning Outcomes

- Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers
- Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant
- Investigate the way in which water is transported within plants
- Explore the part that flowers play in the life cycle of flowering plants – pollination, seed formation and seed dispersal

Music

NC Objectives

- Charanga – Bringing us together

Key Learning Outcomes

- Play and perform using instruments
- Use and understand musical notation

Eco Learning Opportunities

Opportunities

- Growing plants – Science
- English – Charlottes web

Religious Education

NC Objectives

- What do people believe about God?

Key Learning Outcomes

- Explore how God is described in books, texts and art
- Explore the beliefs of the children

PSHE/RSE

Key Learning Outcomes

- Sun Smart
- Primary Mental Health
